

LMLWV 2009 Annual Meeting

October 2-3, Saugatuck, Michigan

Ms Ferraro Making Presentation

Save the date to celebrate 43 years of advocacy for Lake Michigan by the League of Women Voters. We will enjoy a boat cruise down the Kalamazoo River into Lake Michigan. Jim Olson, noted environmental attorney from Traverse City, will discuss possible implications of passage of the *Compact*. Have we subjected the Lakes to commercial exploitation?

Group Tour Port of Indiana Harbor

See the movie **FLOW: For the Love of Water**. This award winning documentary builds a convincing case against the growing privatization of the world's dwindling fresh water supply.

Make plans and join us for all or any part of this weekend as we learn more about Lake Michigan. Watch for more information in coming months by checking our website:
