

**NOTE FROM THE TREASURER**

We are still collecting dues for the 2008-2009 year. League Presidents should remember to include our dues in their annual budget. Our fiscal year is July 1 to June 30. If you have paid your dues late this year, you will find our request again this July confusing. The dues notice is directed to the President, for you to pass to your Treasurer.

Thank you for all you do to protect Lake Michigan and the other Great Lakes. Our organization and our work for the Lakes depend on your support.

**SAD NEWS ABOUT OUR DEAR FRIEND MARJORIE FISHER**

We are very sad to report the death of one of the bulwarks of the Lake Michigan Interleague Group (LMILG), the original name of the organization formed by League members in the four states surrounding Lake Michigan who were concerned about the condition of the Lake and were determined to do something about it.

Marjorie was not one of the founders, but became a formidable force when she moved to Evanston many years ago, joined the local league and became an Illinois delegate, and then president of LMILG. One of her many passions was the goal of elimination of pesticides from our air, land and water, a concern to which she devoted the rest of her life. She would be pleased to know that we have expanded our reach to include all of the Great Lakes in our advocacy.

A memorial service to honor her life will be held on Saturday, May 9, 10:00 am at the Unitarian Church of Evanston, 1330 Ridge Avenue. Please join us there.

Call Judy Johnston, 847-433-9375 with questions.
